COMPANY SUMMARY

LAKHIZWE FOUNDATION

WHO ARE WE

- ✿ It gives us a great pleasure to introduce “LAKHIZWE FOUNDATION” which is a registered Non Profitable Company (NPC) fixed on inclusive Social Entrepreneurship, Early Childhood Development and Youth Empowerment to facilitate advancement on the upliftment of the physical, mental, emotional, social and Spiritual wellness of people.
- ✿ We are a diversified, multicultural, non-political, non-flag bearing, non-religious, non-racial, non-violence and non-gender based non-profitable "People" focused unconventional "Change Enabling" business geared at adding value in the process of empowering fellow Africans to become responsible and productive "Global Citizens".
- 🌍 We are dedicated to enable change in all areas we operate to foster Peace, Humanity, Free Trade, Entrepreneurship, Sustainable Socioeconomic Development, Empowerment and Responsible Citizenship to ensure 'Growth' and 'Prosperity' hence we are committed to "Doing Good" (Acts of Love) whilst bringing hope and improving people's lives through our efforts especially in impoverished and underdeveloped regions.
- 🌍 We position ourselves to inspire change in our region hence our name “Lakhizwenande ma'Afrika” which is a call to fellow Africans in the “Nguni” (Bantu) languages isiZulu & isiXhosa meaning “Fellow Africans to build our continent to achieve growth and prosperity, we need to unite and work together as a nation to build our continent”.
- ✿ We commit to ascertain the best, sustainable and cost-effective means of implementing socioeconomic empowerment solutions ensuring that the associated "Localization Plan" suits each project per region achieving the best results and social impact. Apart from working with individuals or communities; at a strategic level we approach business or engage as a Lead Facilitator, Implementing Agent, Project Manager or Strategic Partner to local Communities, Business Community, Investors, Government Departments, State-Owned Entities and other Non Governmental Organizations rolling out impact based socioeconomic development initiatives to various targeted regions.
- ✿ We are a movement that seeks to honour and glorify the Almighty "Creator" ("Abba Father") in all what we do by spreading Love and the Good News to help people discover God's way and experience freedom from life-controlling problems. The Word says: "Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the Power that works in us, to Him be glory in the Church (the Body) by our Saviour to all generations, forever and ever. Amen!" ~ (Ephesians 3:20-21 NKJV)

HOW WE DO IT

- ✿ We facilitate "Restoration" by serving the Kingdom of the Supreme Creator in order to glorify and honour Him. When we do business for Him, we outdo ourselves every time as He reveals the ideas, giving us the tools, talents, abilities and resources needed to receive abundance from Heaven. Our Creator is amazing, He wants us to live in the fullness of the blessing as He anointed us and made our cup run over to bless others.
- ✿ Our cornerstone is the utilization of the Word as the learning tool for Supreme principles to advance Kingdom Economics on Earth. With the Word, we acquire the natural power within us to increase the light He gave us into prosperity and Love. We believe that Love conquers all as it brings peace, unity and everlasting wellness: "My commandment is this; Love one another, just as I love you. The greatest love a person can have for his friends is to give his life for them. And you are my friends if you do what I command you. I do not call you servants any longer, because a servant does not know what his master is doing. Instead, I call you friends, because I have told you everything I have heard from my Father." ~ (John 15:12 - 15)
- ✿ Our aim to uplift the lives of the needy by providing counselling, guidance and empowerment for the deprived, depressed, unstable, traumatised, confused, lost, broken-hearted, hurting, mourning and hopeless people including ones who have given up on themselves, their friends, family, their country, their planet and in Him. "He purposely chose what the world considers nonsense in order to shame the wise, and He chose what the world considers weak in order to shame the powerful. He chose what the world looks down on and despises, and thinks is nothing, in order to destroy what the world thinks is important" ~ (1 Corinthians 1:27-28). This means the way He does things will sound totally foreign to all of us because His ways are opposite to our earthly approaches since most of us grew up in the worldly business system, His approach sounds different from what we have been taught and observed throughout centuries.
- ✿ We influence to transform "Spheres of influence in our Culture" in; (1) Arts & Entertainment, (2) Business, (3) Education, (4) Family, (5) Government, (6) Media and (7) Religion. Generally people including the marketplace separates Supreme Creator from "Spheres or Areas of influence in our Culture" since we don't view these things as being particularly spiritual. Additionally, the Scripture does instruct us to be "Salt and Light" and go to the world to influence culture and not to be influenced by culture (Matthew 6:14-16). In order for us to impact the world for our Creator, it is necessary for us to influence our society as the "Royal Priesthood" ("Ministers") of the Kingdom of Earth.
